Hi Rebecca,

I have the Anaconda portion (\$73k) planned for 1st quarter FY18 (federal FY). I'll check with Andy about the remaining portion (\$30k) as to when he had it planned. You would need to assume that first quarter money would be obligated later in the quarter, as we usually don't get spending authority until at least a month into the new FY. Also, remember that we requested the money from HQ, but we don't know yet how much they will give us. Stay tuned!

Thanks Dante! This award letter is for \$187,000. The approved grant amount is \$289,850. Do you have an estimated date of when we will receive the \$102,850 difference?
